

Study Tips for the Challenge Exam

Most of your preparation for this exam was done in high school, at home, or in the mission field. However, there are some specific principles you should review:

- Por vs. Para
- Ser vs. Estar
- Preterit vs. Imperfect
- Present Subjunctive
- Imperfect Subjunctive
- Impersonal phrases and other subjunctive triggers
- Direct and indirect object pronouns
- Reading comprehension
- Listening comprehension

The Challenge Exam is a multiple choice, two-hour timed, computerized test. It will be administered in the Humanities Testing Lab
